**'150 YEARS OF FARMING IN EAST PRAWLE'**

Roger Tucker gave us a fascinating talk about the history of his family and their farms in East Prawle. We learnt how it had grown from very small beginnings in the 1800s to the large, successful family enterprise it is today. On the way, this involved not only farming, but haulage, running a shop to sell their produce, repairing roads, trapping rabbits to sell and running a taxi service! He brought with him some of the archaeological finds they had made on the land over the years.
